

OUR LADY OF DOLOURS CATHOLIC PRIMARY SCHOOL

NEWS Term 3 Week 5 - 20 August 2018

The Principal's Piece

Year 3 Mass – last Sunday:

At the Yr3 Mass last weekend, Fr Jim developed his sermon around the Gospel reading that had powerful “Jesus / Bread of Life” themes.

Fr Jim sent us all a powerful message about the importance of the family meal by telling us about the meal-time ritual in his family home each evening when he was growing up:

- Dinner was always at 6pm, and you had to be on time
- There was a set meal for each night of the week - (I seem to recall that it was ‘chops’ every Wednesday)
- After the meal, they all had a cup of tea together and everyone was expected to stay for this
- Everyone cleaned up the dishes etc together - (and this was part of the meal sharing time)
- The meal effectively finished at 7pm

Importantly, aside from Fr Jim promoting the family meal as critical for our wellbeing and ‘connectedness’, he also drew a few subtle analogies in his story telling to the life-giving, ritualistic meal we share each week at Mass.

One of the most important revelations I’ve had over the years is within the fact that our God is so fully in creation, our God is so fully in others and our God is so fully in us ... This considered, whenever we share a meal with family and friends, we are indeed sharing it with our God who is so fully within everyone present.

“Expressions of interest” called for to join the OLD Advisory Council for 2019:
(Applications must be delivered to the School Office by 4pm Monday 3.9.18)

PLEASE REFER TO THE APPLICATION FORM FURTHER ON IN THIS NEWSLETTER.

After several months of gaining understanding of what an Advisory Council might look like at OLD, we are now ready to formally create this advisory group:

How are the Advisory Council members selected? ... What might the group ‘makeup’ look like? ... How often might the group meet?:

- Parent membership will be the majority of Council members. I anticipate two school staff members and a representative from the wider OLD Parish too (NB: ‘Student Voice’ will be gathered from a Student Representative Council to be set up soon)
- The OLD School Leadership Team, with the support of our Parish Priest, Fr Jim, will consider all applications and discern who ultimately will be on the Council. It is absolutely vital that all members are able to be impartial, objective and capable of representing the wider school and parish body of people; ie members are not on the Council to represent their own world-view. The group needs a wide variety of skill-sets, and people who come from varying ‘walks of life’. We essentially need members to be ‘of the people’ and ‘for the people’. Members need to be capable of networking effectively within the school/parish community, and they need to be people of action, not just ‘advisors’. They must be focused on the OLD School Vision/Mission and the OLD Strategic Plan. Finally, and most importantly, they must have the student’s learning and spiritual wellbeing at the centre of all decision making

The Principal's Piece cont.

- Because of the varied and weighty implications just listed, I trust readers can understand that an Advisory Council membership election process by the wider parent body could possibly gather a collection of members that won't satisfy all the critical requirements to ensure the best Advisory Council possible for OLD School
- CSO recommends that school Advisory Councils usually meet once per term

Community survey regarding P+F leadership, 'engagement' and fundraising going forward:

Following on from various P+F General Meeting discussions regarding changes to P+F leadership/engagement/fundraising going forward, **Parents are urged to go to the following site to register their vote/preference:**

<https://www.surveymonkey.com/r/XR2XBTf>

There is only one question, so please take the time to read the options and choose which you prefer. Thank you.

A: I think that our school can be best managed with the following:

- o An Advisory Group (as per CSO expectations from 2019 onwards) ... Meeting once per term
 - o A P+F Leadership Team similar to what OLD has now, with elected members ... Meeting once per term – (NB The role of 'class parent' leaders for each class will continue to be critical)
- Annual fundraising events and programmes need to be inspired and managed to raise approximately \$20,000 - (ie as we presently do with event like the recent "Sports Marathon")

B: I think that our school can be best managed with the following:

- o An Advisory Group (as per CSO expectations from 2019 onwards) ... Meeting once per term
- o A P+F Leadership Team that exists solely to promote and build 'engagement' ... Meeting once per term - (NB no fundraising and therefore no P+F Treasurer required according to the P+F Constitution) ... (NB The role of 'class parent' leaders for each class will continue to be vital to build, promote and sustain 'engagement')
- o An Annual P+F fundraising levy of \$100 per family within school fees – (With no formal/major fundraising as we presently do throughout the year ... (NB we can still have Mission fundraisers like Project Compassion etc - We will also continue to host annual events like the recent "Sports Marathon", but it will be 'just for fun' with no fundraising)

New OLD Athletics Shirts:

Thank you to Mr Martin for managing the process to design and order the new athletics shirts!

And, congratulations to all our North Shore Cluster Athletics Champions who competed at Narrabeen today in their new attire.

OLD School and Chatswood Bunnings Saturday 25 September - This coming Saturday!

Parents and Friends are urged to get along to Chatswood Bunnings this weekend. OLD School Parents are co-ordinating the BBQ, and it's a good opportunity to have a sausage sandwich and fundraise for the school at the same time!

Thank you, sincerely, to the band of Parents co-ordinating the day.

Thank you!

Thank you to the parents doing a massive early-spring cleanout of the P+F room adjacent to the Year 1 classrooms. They've found some very precious archives, but they have also been decisive and disposed of piles of stuff too. The job isn't over, and I thank them for this rather extensive project.

Pants Options for Girls at OLD:

At the recent P+F General Meeting, we briefly discussed the possibility of introducing a 'pants option' for girls. I note that the main reason for this is to support girls' 'modesty', particularly if they are engaged in sporting activities. We have already organised a meeting with Lowes to investigate 'possibilities', and a couple of options will be discussed/presented at the next P+F General Meeting.

Creative Arts Festival Update:

Ticketing: Tickets will be on sale through the link below or at the Concourse ticket office from **10am** on the **29th August**. All tickets are \$35. These tickets are not for profit and are priced to cover the cost of holding the event at The Concourse.

Program Design Competition: This year I invite our students to design a program for the Creative Arts Competition. The best 10 designs (judged by the teachers) will be printed and distributed on the evening to our audience. If your child would like to enter they must design a front and back cover on A4 paper. It can be drawn, painted, designed on the computer. On the front cover you must include the following information:

- Welcome to the 2018 Creative Arts Festival
- Our Lady of Dolours Primary School, Chatswood
- Colour my world
- 29th August 2018
- The Concourse, Chatswood

You can design the back of the program in any way you wish but please be aware we will be adding a test box somewhere on the page (you can include a space for this in your design).

Entries are due in paper or via email to Miss Thorpe by Friday 31st August.

The winning entries will then get an opportunity to help me design the inside information, which will include information about class dances and choir/band performances.

Thank you and Good luck!

Costumes: Your classroom teachers will be informing you about costumes and anything that needs to be purchased. Alternatively teachers may not need to purchase anything for their costumes (we have a very large costume room at the school that may be used) and will inform you later in the term about what children will be wearing.

Dear parents/caregivers,

This year Kathryn Gray completes her review period as Religious Education Coordinator of **Our Lady of Dolours Catholic Primary School, Chatswood**.

- rejoice in successes and celebrate achievements;
- identify areas for professional development to enhance current effectiveness and future potential; and
- demonstrate accountability to parish, school and the Director of schools.

A small panel will visit the school on **29 August 2018** to support the REC in her reflection on leadership. Considering the data available to the panel, the chairperson will complete a report that I will review.

As part of the review process you are invited to complete the attached survey concerning the effectiveness of the REC's leadership. To assist you I have included the REC's position description. Information obtained will be aggregated and used by the panel for feedback to the REC.

Confidentiality of survey results is assured. It would be appreciated if you could submit your survey on or before **24 August 2018**.

Year 6 Bake Sale: FRIDAY 7 SEPTEMBER - Major Graduation Fundraiser

In Week 7, on Friday 7 September, Year 6 is holding their annual fundraiser. We are hoping to raise money to cover the cost of the Yearbook and for the children's ticket to the Graduation Dinner. There will be no more fundraising after this event, so let's make it count!

We are looking to sell **homemade** baked goods including cakes, loaves, cupcakes, slices, biscuits, macarons, savoury baked goods and lolly bags. We will also supply some nut/egg/gluten free options at the Bake Sale!

Please support this event by sending your child along with some money on the day. The Bake Sale will start after lunch for classes to attend and will remain open until 3:30; so you are also welcome to shop yourself at pick up time (unless sold out).

All purchased goods will be taken home and consumed at home.

Advisory Council News

Expression of interest form to join the OLD Advisory Council for 2019 –

(Applications must be delivered to the School Office by 4pm Monday 3.9.18)

PREAMBLE: Parent/Guardian membership will be the majority of Council members. We anticipate two school staff members and a representative from the wider OLD Parish too (NB: 'Student Voice' will be gathered from a Student Representative Council to be set up soon).

The OLD School Leadership Team, with the support of our Parish Priest, Fr Jim, will consider all applications and discern who ultimately will be on the Council. It is absolutely vital that all members are able to be impartial, objective and capable of representing the wider school and parish body of people; ie members are not on the Council to represent their own world-view. The group needs a wide variety of skill-sets, and people who come from varying 'walks of life'. We essentially need members to be 'of the people' and 'for the people'. Members need to be capable of networking effectively within the school/parish community, and they need to be people of action, not just 'advisors'. They must be focused on the OLD School Vision/Mission and the OLD Strategic Plan. Finally, and most importantly, they must have the student's learning and spiritual wellbeing at the centre of all decision making.

Because of the varied and weighty implications just listed, we trust potential candidates can understand that an Advisory Council membership election process by the wider parent body could possibly gather a collection of members that won't satisfy all the critical requirements to ensure the best Advisory Council possible for OLD School.

CSO recommends that school Advisory Councils usually meet once per term.

I would like to be considered for the OLD School Advisory Council:
