P+F Annual General Meeting – TODAY Tuesday 6 November 6.30pm

Everyone is welcome at the 2018 P+F Annual General Meeting, Tuesday 6 November 6.30pm.

At this meeting, as a group, we will discuss how the P+F leadership group will 'look' and function going forward. There will, of course, be a slight change in the purpose of the group considering there will be no need for any fundraising. Put simply, the new P+F leadership group will essentially be solely dedicated to engaging the community through social events, social support, parent educational opportunities and more.

Please refer to last week's newsletter regarding important specific details regarding the likely P+F structure in 2019.

AWARD WINNERS Week 3

The Assistant Principal's Piece.

Swimming Lessons (Kinder-Year 4) Swimming lessons for all students Kinder-Year 4 commence this week. Please ensure the following have been organised:

1. Label all items of your child's clothing – school uniform, swimming costume, goggles, swimming cap, shoes, socks, underwear, spare clothes, towel, swimming bag etc
2. Have swimming bags packed the night before to prevent anything being forgotten
3. Ensure your child can get in and out of their own swimming costume independently
4. Ensure your child can put their own school uniform on independently

Reminder: All children wear their swimming costumes to school under their sports uniform. If you child has swimming at 9.15am they wear their swimming costume under their 'pool clothes' and wear a pair of thongs / sandals to school. 'Pool clothes' may include an easy summer dress, t-shirt and shorts, a wearable hooded towel.

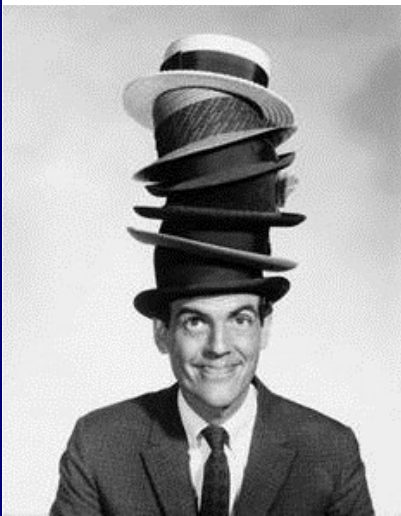

Swimming carnival: Yesterday the students in Years 2-6 (plus children in Year 1 who turn 8 in 2019) brought home information and permission notes for the school swimming carnival. Please note there has been a change of date to **Wednesday 12th December**. These notes need to be returned ASAP and no later than Friday 15th November. I encourage as many parents as possible to be engaged with this school event by volunteering to help on the day or just come along to cheer on the children. As we live so close to the Harbour and the beach, it is so important all our students learn how to swim and the annual swimming carnival is such a wonderful celebration of this.

EMU Intervention Program: Throughout Term 2 and 3, six Year 1 students participated in a special Mathematics intervention program called EMU (Extending Mathematical Understanding) led by Mrs Gray and me. These students excitedly and enthusiastically attended the lessons every single day and have made such wonderful progress in their conceptual understanding of Number. We wish to congratulate these students and their parents for their commitment, effort and achievements. Congratulations on graduating from this program!!!! (If you would like to learn more about this program or the involved assessment – The MAI – please see below).

The Assistant Principal's Piece.

Parent Education Session – MAI assessments: For the past 5-6 years the teachers at O.L.D. have been conducting a Mathematical assessment called 'Mathematical Assessment Instrument' (MAI). This is a one-on-one assessment that occurs once a year and provides such rich data on each child as well as extremely valuable whole school data where we can identify trends and patterns. The teachers use this data from the first day of school to program to cater for the specific Mathematical needs of each and every child in their class. If you would like to learn more about this assessment and how it is used please come along to the Parent Education session on Monday 3rd December. I will also endeavour to have this meeting on Facebook Live. If you are interested in attending please email me via the school email address.

HATS! HATS! HATS! As we are now in November it is so important that EVERY student at O.L.D. is wearing their hat every day. Not only is the hat an important part of the school uniform, but it is also extremely important for skin safety. Please ensure your child is wearing their hat in the morning when they come to school as well as when they are walking home in the afternoons. It is compulsory for students to wear their hat at recess, lunch, during sport lessons or during any outdoor lessons. If a child is not wearing their hat, they will have a period of 'time out' and will then only be allowed to play in the shade. Please assist the school by checking your child has their hat packed every day. Thank you!

Hand washing hygiene: Since returning to school after the holidays children across all grades have been experiencing bouts of gastro. This is a timely reminder to remind your children about how to effectively wash their hands before eating and after using the toilet. The teachers will also be following up with this in their own classrooms.

Chicken Pox.

Please be advised a case of chicken pox has been reported at the school. An email was sent to all families earlier today.

More information can be found at:

Religious Education—Mrs Kathy Gray

Remembrance Day Ceremony 12:20pm THIS Friday 9th of November

On Sunday November the 11th we celebrate Remembrance Day. As a school community we will gather together for Remembrance Day THIS Friday 9th of November at 12:20pm. Parents are invited to this important event and are most welcome to join us at the COLA. During the ceremony, Gwenaelle, in Year 6, will mark this important occasion with a speech about the 100 year anniversary of the Armistice.

This year is of significant importance because we commemorate the centenary of the Armistice that ended the First World War. One hundred years ago on 11 November 1918, four bloody years of brutal conflict came to an end. Almost 62,000 Australians died fighting for our freedom and in service of our nation.

After several months of hard fighting on the Western Front, the Allies finally broke through the Hindenburg Line on 29 September 1918. The German army was beaten and within weeks came the Armistice.

The Armistice of Compiègne between the Allies and Germany came into effect at 11am on 11 November 1918. The guns fell silent on the Western Front and after more than four years of unimaginable bloodshed and destruction, the war was finally over.

The Armistice paved the way for the signing of a formal peace treaty, the Treaty of Versailles, and the end of the war six months later.

After the Second World War, Armistice Day became Remembrance Day; a time to remember those who suffered in all wars.

Christmas Concert with Andrew Chinn

On Friday December 14th, religious songwriter and singer will be visiting our school to be a part of our Christmas celebrations. Andrew's songs, such as "These Hands", "Together As One", "Rainbow" and "In the Beginning" are used in classrooms and liturgies around Australia, New Zealand, the United States, Canada and the United Kingdom. Parents are warmly invited to be a part of the celebration of faith and fun. The concert will take place in the Our Lady of Dolours Church at 5pm. We look forward to seeing you there.

Earlier this year, students in Stage 1 were given the opportunity to enter an Australia-wide Writing Competition.

This week, we were thrilled to receive a letter from the “Write4Fun” organisers congratulating our participating students:

“This year, the competition was held throughout primary and secondary schools within Australia and we received over 9,000 entries! Your school has been recognised for **outstanding student writing** as less than 10% of schools showed this level of achievement.”

Well done to all of our outstanding writers!

Pastoral Care—Mr Sam McClean

As you may be aware, the Catholic Church across Australia is to have a Plenary Council in 2020, known as Plenary 2020.

A Plenary Council is the highest formal gathering of all local churches in a country. Our Plenary Council 2020 is being held so that we can have dialogue about the future of the Catholic Church in Australia.

The last time the Catholic Church in Australia held a Plenary Council was in 1937. It has been more than 80 years since we gathered all of the Church together and much has changed. In 2020, we will have a Plenary Council about the future of the Catholic Church in Australia. What are we called to do? Who are we called to be? How do we need to change?

Pope Francis has spoken of the need to engage in the world and respond in faith. He said:

"Our previous ways of explaining the world and relationships, good and bad, no longer appears to work. The way in which we locate ourselves in history has changed. Things we thought would never happen, or that we never thought we would see, we are experiencing now, and we dare not even imagine the future. That which appeared normal to us – family, the Church, society and the world – will probably no longer seem that way. We cannot simply wait for what we are experiencing to pass, under the illusion that things will return to being how they were before."

The journey toward the Plenary Council will help us to prepare to listen to God by listening to one another. We invite all people to engage, to be a part of the listening and dialogue encounter in the next two years.

The key question asked in the run up to the plenary council is:

"What do you think God is asking of us in Australia at this time?"

We are asked to come together and share dialogue about how each of us answer this question. If many people respond to this call, the Plenary Council will have much information to work from. There is no 'prerequisite' to have your say. The Plenary Council wants to hear from everyone. From those who attend Mass and are active in the Church, to those who are not as familiar with their Parish as perhaps they used to be.

At Our Lady of Dolours Catholic School, we will have the opportunity to come together to share our understandings of the key question "What do you think God is asking of us in Australia at this time?" ***There will be a listening and dialogue session in the school library at 6pm sharp on Tuesday 6th of November – right before the Parents and Friends AGM.***

If you would like more information on the Plenary Council, go to <http://plenarycouncil.catholic.org.au/>

If you are not able to get to this session, you are more than welcome to share your ideas online at <http://plenarycouncil.catholic.org.au/resources/have-your-say/>

What we've been doing in OSHC at Camp Australia!

Last week children were excited to help staff create a new Sustainability poster for display using mainly recycled materials such as empty soy-sauce squeeze bottles that we have been collecting from families and friends over the past few weeks.

Children also enjoyed making spooky art, such as black cats on Halloween to match Coordinator Melissa's Halloween costume. Also, as last week was really hot, children were invited to play a variety of water games including "Water-Bomb Bull Rush" and "Dry, Dry, Wet." They were also given the opportunity to chill-out under the fans with the lights off towards the end of the sessions.

Every effort is made for children to experience continuity of educators at our Service. Our current Team is:

- Melissa (Coordinator), ~~Mohona~~ (Assistant Coordinator), ~~Hammad~~ (Assistant) & William (Assistant).

Each staff member brings something different to the team, for example William loves to play soccer! Also, consistency helps staff build relationships with children, which allows us to better program for their interests because children want to tell us about what they like to do at After School Care.

The Program for this week looks like this:

Monday	Tuesday	Wednesday	Thursday	Friday
Calico Drawing & Dodge Ball	Bird Artworks & Cooking Lessons	Slime Making & Treasure	Make your own Mask or pair of Glasses	Butterfly Art & Educational Video

Hope to see you soon!
