Christmas Dance Party Important Safety Reminders

- Teacher supervision will conclude after school at 3.20pm as per usual
- Children require parent supervision to stay in the playground after 3.20pm
- Children will not be permitted to play on the play equipment during or after the Dance Party (as per usual school rules)
- If parents are waiting with their children at the school for later Dance Party times; please actively supervise your children as we want to prevent any accidents occurring
- The Dance Party is an opportunity for the students to have fun with their friends; in saying that, we expect all children to continue to follow the school rules to ensure everyone's **safety**; to show **respect** and appreciation to the parent volunteers and organisers; to be **responsible** for our own actions and for our belongings and of course **TO BE OUR BEST**...DANCERS THAT IS!

Please read the P&F communication for more information about the Dance Party

Parent Information Session: The MAI assessment: On Monday 3rd December; 6-7pm, I will be holding an information session to explain the MAI assessment. The MAI (Mathematical Assessment Instrument) is a one-on-one assessment that **ALL** children will participate in on the first days of the 2019 school year (as they have done so for the past few years). During this session I will explain the purpose of this assessment; what kind of data it provides teachers and the school; what the assessment is teaching us about your children; how teachers use the data and I will be showing some examples of the questions. This is a very important assessment as it does not inform us of how fast your child can recite Mathematical facts, such as their times tables, but what strategies they use to problem solve. Please email the school if you will be attending this information session.

Swimming Carnival Parent Helpers: Thank to all the parents and carers who have offered to assist at our Swimming Carnival on the 12th December. Please remember to let me know if your plans change and you are available to help. Unfortunately, so far we only have 1 parent helper to help in the pool – without parent helpers in each lane we will be unable to hold the kickboard races. The kickboard races are 15m in length and conducted in the shallow end of the pool, therefore, you will not need to swim laps of the pool, just walk along-side the children in case they need some additional assistance. We will also require at least two parents who are confident, strong swimmers who are willing to jump in if a child swimming a longer length needs assistance. We will have the life guards who are employed by the Aquatic Centre to help in an emergency but we would also like to have enough adults on hand. Please let me know if you are able to help with these jobs.

Swimming Carnival dismissal: As the swimming carnival ends at 1.30pm parents may have the choice to take their child/ren home directly from the carnival. However, students will not be dismissed until the carnival has concluded at 1.30pm. If you would like to take your child home directly from the carnival please fill in the form below and hand in to your classroom teacher ASAP (as we need to book buses). If pick up plans change please inform your class teacher via a **written note** prior to the carnival. Parents will be required to sign their child out from the teacher on duty on the colour house; NOT the classroom teacher.

Child's name:

Child's class:

Child's colour house:

I will be taking my child home directly from the swimming carnival at 1.30pm.

I give permission for _____ to take my child home directly from the swimming carnival.

I understand my child will be dismissed at 1.30pm, when I sign them out from the colour house teacher.

What we've been doing in OSHC at Camp Australia

Our team here at Camp Australia is constantly brainstorming for new activities and fun crafts that would contribute for a fun filled and interesting experience for the children. This week children played new games like Magnetic fish, and Operation. The children also enjoy viewing the educational screening once a week; a perfect opportunity to relax and learn about animals and the environment.

Last week children made Maracas using popcorn, their very own DIY Owl Pocket Mirrors, while others showed great building skills with their Lego models! We try to give heaps of creative choices for them to play around and experiment with every week based on their interests and suggestions to be able to create a fun and safe environment for everyone.

Our Program next week looks like this:

Monday	Tuesday	Wednesday	Thursday	Friday
Dream Catchers	Pipe Cleaner Animals and Objects	Raised Salt Painting + Educational Video	No-Sew Pouches	Tape-Resist Painting

Hope to see you soon!

-From Mohona and your OSHC Team.

For bookings, cancellations and general enquiries, please contact the Camp Australia Customer Care Team on 1300 105 343 – they are available 24 hours a day, 7 days a week.

Join Band!

Is your child interested in joining the school band? The school band is now taking enrolments for 2019 and is open to all students currently in years 2-5. No prior experience is required.

In Term 4 students will see a demonstration concert at school that highlights the different instruments available for tuition. They will receive a green School Band Program note providing introductory information.

What do you need to do? Return the expression of interest from the bottom of the green note to try a variety of instruments with trained music tutors, to help your child find the instrument to which they are best suited. The results of this instrument trial will be sent home with comprehensive enrolment information.

Learning an instrument in an ensemble is a great way to experience the social, educational and personal benefits that music and the arts have to offer! TSA provides a quality instrumental program, with full ensemble rehearsals, great value tuition and rent-to-buy instrument hire.
