

# OUR LADY OF DOLOURS CATHOLIC PRIMARY SCHOOL

**NEWS** Term 1 Week 4 - 18 February 2019

## The Principal's Piece

Dear Parents and Friends,

The following invitation is so important that I've placed it 'front and centre' at the start of our school newsletter. Please feel warmly invited to an evening where we'll simply celebrate with a spirit of welcome:

***"Parents and Friends' Annual Welcome Night – The Big Night Out"***

***Friday 8 March 7.30pm***

***Venue: "The Avenue" - (located above Chatswood Station)***

*Details further on in this newsletter*

*Countdown: 17 Days!*

**"123 Magic" is back again for 2019 ... Attention everyone, particularly all Kindergarten families:**

Last year, OLD hosted the wonderful parenting programme, "123 Magic", and it's coming back again for 2019

This year, we are particularly targeting all our new Kindergarten families, but anyone and everyone is most warmly welcome.

The programme runs over 2 mornings and, put simply, I view it as one of the best parent education initiatives I've ever participated in.

Please contact/email the school office to register ... And yes, it's free ... And yes, it's at OLD School!

Session 1 of 2: Wednesday 20.3.19

Session 2 of 2: Wednesday 27.3.19

**Wonderful additions to our play-spaces at school:**

Over the coming weeks, students, staff and parents will see a myriad of new games and toys on the playground. The purchase of these new resources was made possible thanks to the P+F funding directed to the school at the end of 2018. On behalf of the students, I sincerely say, "Thanks!"

The photo below shows Ms Tygh busily organising the new resources with the help of Kiara and Grace. Parents will see many of the new resources 'rolled out' at our whole school assembly tomorrow (Wednesday 20.2.19) at 9am.

### **The Light is On:**

The Light is On is an initiative where Catholic churches are open for quiet prayer and Reconciliation on certain evenings during Lent. In Lent 2019, parishes of the Diocese of Broken Bay will be open during Lent for prayer and Reconciliation on Fridays 7pm - 8pm on 8, 15, 22, 24 March and 5, 12 April 2019.

### **Year 6 Students Leaders 2019:**

In the last 'comprehensive' newsletter, I inadvertently omitted 2 of our new 2019 Y6 Leaders from the group list – Alana and Kate are now included below.

Congratulations to each and every one of the following who were commissioned last week at our Opening School Mass:

### **A 'shout-out' of thanks to the following volunteers who are assisting with Sacramental Programmes in our Parish:**

I was chatting to Angela Hague (Parish Sacramental Co-ordinator) last week, and I was so impressed with the way Angela spoke about the 'parent leaders/facilitators' from OLD School who are a key to the success of the programmes. Thank you to the following Reconciliation Group Leaders:

Albert Jantong; Fiona Lines; Jaclyn Kalcher; Michelle Keygan; Camilla Diaz; Fifi Chong

### **Clarification regarding Nut and Egg products at OLD:**

In a bid to clarify a few things regarding Nut and Egg products at OLD school, I hope the following assists to clarify the school's position:

- OLD School strenuously encourages parents to never send Nuts or nut products to school ... The school, of course, understands that there are some food products that state on the wrapping: "may contain traces of nuts" ... Regarding products that state this, we ask parents to use appropriate discretion and always remember that we have students at school who can have severe/life threatening allergic reactions to nuts and nut-based products.
- OLD School strenuously encourages parents to never send whole egg or foods that are predominantly egg-based to school. Again, we have students at OLD who are susceptible to severe allergic reactions to egg and egg-based products.

### **St Pius X College Enrolments for Year 7 2023 (for Catholic boys presently in Year 3 at OLD)**

Parents are reminded about the special 'priority enrolment' privilege that OLD School enjoys with St Pius X College that allows Catholic students at OLD entry into Year 7. This privilege gives parents a clear choice to keep their child at OLD School until the end of Year 6 allowing them to benefit from important leadership opportunities and a myriad of pastoral and educational advantages.

In order to secure this 'priority enrolment' privilege, parents with Catholic boys presently in Year 3 at OLD School must fill in an enrolment form at St Pius X College during the month of March this year. Details can be found on the St Pius X College website.

### **St Pius X College Enrolments for Yr 7 2021 (for Catholic boys presently in Year 5 at OLD)**

Similar to the conditions above, parents can also access the 'priority enrolment' privilege for OLD Catholic families if they enrol their child in the month of March this year. However, because this is effectively a 'later enrolment' parents need to feel confident that St Pius X College will put a priority on their application, but they must also be aware that there is no guarantee of securing a place in Year 7 2021.

## The Assistant Principal's Piece

**Little Athletics coming to OLD!** Thanks to our wonderful P&F led fundraising, the students will be participating in a 10 week Little Athletics course. This course will be run each Friday starting later in Term 1 and run into Term 2, in preparation for our Athletics Carnival in late Term 2. The infant classes will participate in classes at school, whereas the primary classes will walk up to Beauchamp Park. The course will be run by professional coaches from Little Athletics Australia and will cover skills such as discus, sprinting, relays, modified javelin and shot-put. The P&F are also investigating purchasing some 'scissor-kick' high jump mats that will be owned by the school and can be used for gymnastics too. This will be such an exciting skill building opportunity for all the children and we extend our thanks to the P&F for this initiative.

**New exciting additions to our playground!** Throughout this term we will be getting a new large 'grassed' area in our playground for the children to play a range of sports on. In the area between Pius and the Year 5/6 classrooms there is currently a patch of very hot, asphalt playground. Currently, there is a small sandpit and two movable basketball hoops. This area will be completely covered with synthetic grass (like our mini soccer field) and will be marked with lines for the children to play a range of sports. We will be putting permanent basketball hoops that can be converted into netball posts and also be used to hang tennis and volleyball nets onto. We will also be looking into options for shade over this area. We are able to do these renovations thanks to a grant we secured called 'Project Playspace'...a HUGE thank you to our Grant committee who secured this grant that is going to make some wonderful changes to our playground that the children will love. ***If you would like to learn more about how the grants and P&F funds will be spent throughout the year please come to the P&F meetings and keep an eye on the school newsletter!***

**Maths Parent Education Session** I highly recommend any parents that were unable to attend these sessions last year to consider attending the Parent education opportunity as it will give you a really good understanding of how and why we teach Maths the way we do it at OLD. You will go home with a range of games (for all grades) and tips on how to help your children at home. Due to time restraints, I won't be going over how we teach every single concept but you'll get an idea of the research behind our teaching methods. Please see the information sheet for more information and fill in the form below or email the school to register for this event. Looking forward to working with you all!

**Bead string party!!** Parents, we need your help! We have purchased thousands of beads that need to be made into bead strings (of 120 beads in groups of 10). These are such important maths resources used in every grade from Kinder –Year 6. We had some students make them last year but unfortunately they are not accurate and of course for a Maths resource, we need them to be correct! Why not organise a group of parents to stay a little after drop off or come a little before pick up, sit in the air conditioning, put on some background music, nibble on some snacks (we would happily supply something for you to snack on) and have a good chat while making the bead strings...very therapeutic! If you can come in within the next week or two and make some bead strings or take a bucket home please let me know via the school email address. THANK YOU!

### Numeracy Parent Education

With the creating of our vision '*Ignite, Innovate and Include in Mercy*' I wish to invite all parents to participate in a two part education program for Mathematics and Numeracy. I will be running these sessions with the assistance of some classroom teachers. In these sessions you will learn about the educational philosophy behind how we teach maths (not only at OLD but in every diocesan school) and how this may have differed from your school years. By participating in Parent Education you can become an empowered, informed and active partner in your child's education. Through the Parent Education sessions you will be able to learn how to assist your child at home, understand how the teachers at OLD teach maths and you may even become a more confident mathematician yourself.

**Please note these sessions are the same as the 2018 Parent education sessions.**

Each session will include many hands on games and activities that you can use at home, plus all participants will be given some fun maths equipment to take home and use with their children.

***I highly recommend that you sign up to both sessions to gain a comprehensive understanding and get the 'whole picture'.***

When I have run this course in the past some of the participants have said:

*"I finished school in '84 and I realise now that I never understood the concepts of what I was being taught and I'm thrilled teaching has changed."*

*"Some things I'll take away from the Parent Education sessions are some great learning tools and games. I now know that Maths can be FUN!!"*

*"You should do it! It's important to understand how our children are being taught so we're best able to help them produce and enhance their skills."*

*"If there is only one education course you can do, do your children a favour and go!"*

Please return the form or email the school by Friday 1<sup>st</sup> March.

Looking forward to seeing you all at the first session,

Kirsty Thorpe (Assistant Principal and Numeracy Co-ordinator)

**Thursdays 1.45 - 3pm 21, 28 February & 7, 14, 21, 28 March**

**Secret Men's Business:** Every fortnight a group of dads from our school and men from our parish get together to talk and pray together about how to be a good man, a good husband, a good father, a good brother, a good friend. On Saturday March 9<sup>th</sup> they're having a breakout day here at the parish where they'll cook a BBQ and have a couple of talks about how to be "an authentic man" and they'd love you to join them. If you're looking for a place where you can talk about something more than just the cricket then this is for you. To RSVP or to find out more call or text Dave (father of Rosebelle in 4G and Max in 2B) on 0401 560 693 or Albert (father of Tristan in 3G) on 0439 130 656.
