

# Keeping Our School Safe!

## Student hygiene practices

1. Use of non-contact greeting methods
2. Clean hands with soap when entering the school and regularly during the day

3. Do not share personal items (school supplies or toys brought in)
4. Games where students touch each other directly or indirectly (through a ball) will be discouraged.

5. Avoid touching your face and cover your coughs and sneezes - use hand sanitiser after sneezing or coughing.

6. Students will not mix with students in other grades - we will have staggered break times and dismissal times. There are also designated areas of the school for each grade during break time and dismissal times.

7. Students must use drink bottles that can be refilled rather than bubblers.

## Whole school practices

1. A hygienist has been employed to be at the school during the day (additional to our regular cleaners) to:

- Disinfect surfaces like doorknobs, desks, chairs, and railings regularly.
- Clean highly touched surfaces in the toilets after each break time.

2. Increase ventilation in classrooms by opening doors and scheduling outdoor lessons throughout the day

3. There will not be whole school events until further notice (such as assemblies or sporting events) where students from different grades mix.

4. At this point in time the canteen & 2nd hand clothing stall remain closed.

**Keeping our parents safe:** We must still restrict parents entering the school grounds. Please adhere to social distancing measures at all times, as well as the dismissal arrangements. There are marks on the floor that we recommend you use for social distancing when picking up your children. Please follow the signs on our gates so we can keep everyone as safe as possible.

## All students and teachers must stay at home if...

- they have symptoms of COVID-19, a cold or flu (students will be sent home if they exhibit any of these symptoms)
- they have a sick family member at home
- an additional sick bay has been created for students exhibiting symptoms of COVID-19
- temperature checks will occur for any child exhibiting illness at school
