**Social Media Release Form**

This year Our Lady of Dolours Primary School would like to use Facebook to showcase the learning and extracurricular activities that take place in our school. It is a great way to communicate and be connected with others in our community.

This letter is to obtain permission to use image, video and/or creative work of students on these social media networks. Because we are sensitive to the safety and privacy of your family, at no time will the full names of our students accompany their photo or video image. Below is a release, which allows you to indicate your preference.

Please indicate below whether Our Lady of Dolours Primary School Chatswood has permission to use images, video, and/or creative works of your child.
